萬利機械(私人)有限公司  
**BAN LEE MACHINERY (PTE.) LTD.**

## Competitive Edge

- Well equipped with more than 60 years of experience & knowledge in keeping our customers' engines & vessels working as efficiently and cost effectively as possible.
- For more than 50 years and counting, Ban Lee has been acting as buying house, as well as being appointed as owners' representative, for reputable shipping companies that are based overseas. As such, we have strong direct business-relations with engine component manufacturers, engine makers, factories & suppliers, therefore enabling us to offer competitive prices.
- We strongly believe in having and maintaining long term business relationship with our customers by offering a high level of services and expertise, as well as customising to each individual customer's requirements.

## Scope of Supply

- Supplying high precision spare parts for Main and Auxiliary engines, Genuine or OEM. All our parts have the highest standards of quality control from original engine builders' approval or they comply with classification society requirements.
- Spares for Air Compressors, Purifiers, OWS, Sterilizers, Water-makers, etc.
- Pumps, Hydraulic motors & Gear pumps, Brine & Mud pumps, Progressive cavity pumps, etc.
- Marine refrigeration & Air-conditioning, Electrical controls, Pressure switches, Transmitters, Starters, etc.
- Spares for Galley and Laundry equipments, Heating elements, Calorifers, Hotplates, etc.
- All types of Filters & Filtrations, Membranes, all kinds of Valves, Deck stores, Fabrication works, etc.
- Spares for Crane machineries and Misc. marine services & equipments.
